HEALTH AND SAFETY POLICY STATEMENT

General Statement

Econosto UK regards the promotion of health and safety at work as a mutual objective for the company and all of its employees at every level. The company regards effective health and safety management as integral to its continued growth and future success.

The company is committed to:

- Allocating suitable and sufficient resources and implementing appropriate systems so that all legal duties are met
- Ensuring measures are implemented to prevent ill health and injury
- Establishing a system to monitor and report on the outcomes of this policy and company health and safety targets and objectives with a view to continual improvement
- Identifying all relevant health and safety legislation and other applicable requirements from any interested parties that apply both directly and indirectly to the company's activities

Aims and objectives

The clear objective of Econosto UK is the prevention of injury and ill health by:

- Continual improvement in health and safety management
- Continual improvement in health and safety performance
- Considering the effects that our operations may have on the local community
- Promoting health and safety awareness amongst our suppliers, contractors and partners by implementation of operational procedures
- Reviewing and updating this policy on an annual basis

Commitment

The Managing Director has overall responsibility for ensuring that this policy is fully adopted into the company and all employees have a duty to take reasonable safety of themselves and others who may be affected by their acts or omissions while at work

Signed:

Managing Director
